

Friday, May 18th Dress Rehearsal @ Bakken Elementary Auditorium (502 W. Highland Drive)

ALL DANCERS In FULL Costumes

Follow costume checklist..Costumes, Shoes, Hair, Makeup, Everything..

EVERYONE!

**All dancers will need to stay for the full time of their scheduled rehearsal time. If dancers are in more than 1 class they will have to come possibly for 2 or more different time frames.

** If enough time remains in the hour, we will do routines again. This will allow dancers to know where they should be prior to a routine, which side of stage to enter and exit, where to stand, who to stand by, etc. Also a great time to watch the other dances as well 😊. We will also run through the finale that all EDE dancers/tumblers/cheerleaders will be a part of for the end of each show. When that time frame is over, we will stop right where we are and go to the next rehearsal time.

** This rehearsal is very very important. All dancers/tumblers/cheerleaders **are required** to be at dress rehearsal in order to perform Saturday in the spring recital. If a dancer will be gone, their teacher must be notified prior to Friday rehearsal.

All dancers, in the 4:00 pm time frame, need to be at the auditorium at 3:30 pm to get ready for the first time frame of rehearsal. Don't show up at 4:00 pm and then have to get ready. Be early so we can start on time!!!! All other time frames, dancers need to be there ½ hour prior to their time so they are ready when their time starts.

Class moms, please plan to attend the scheduled rehearsal times to help teachers with classes, lineups, costumes, etc. If you would be willing to help your dancers class as a "Class Mom" 😊 please let your child's instructor know. Thank you in advance for all you do 😊

This IS NOT the same lineup as the recital. This is lineup only for dress rehearsal for Friday.

Dancers/Parents should remain in the auditorium during dress rehearsal. Recital day we will have 2 rooms for the dancers that need to change costumes to store their dance bags and change. There will be designated dressing rooms for us for Saturday. We are only to use the auditorium Friday.

Dancers will need to change costumes for the schedule below. Once their first costume has been changed to their 2nd costume, they can keep that 2nd costume on for the remainder of that time frame. They don't need to change back to their first costume if we go back and start the routines over. Do not wear good tights for dress rehearsal 😊
